---------------	--------------	------------------	-------------	------------	-----

The advertisement features a silver ASUS K543UA laptop with a vibrant orange and red abstract background on the screen. The background of the ad is light blue with faint white mathematical formulas like $E=mc^2$ and $F=ma$. A yellow banner at the top reads 'THE BEST CHOICE FOR BACK TO SCHOOL'. A red price tag shows the MSRP crossed out and the current price of \$719.99. A yellow shield icon indicates a '2 YEAR WARRANTY'. A yellow banner at the bottom left says 'LIMITED QUANTITY!'. A small table lists specifications: Intel Core i3, 15.6" screen, 256 Gb SSD drive, 8 Gb memory, Windows 10, and SSD.
